

ISLAND GROVE WINE COMPANY SUNSHINE STATE WHITE SANGRIA

TASTING NOTES: Your senses will come alive with the fragrant aromas of pineapple, peaches, and mangos. This fresh fruit blend offers you a light - bodied, sweet, fruit - forward experience that is pleasing to all. It is a lively, crisp wine with refreshing notes of walking on the beach. Best served chilled.

Founded in 2010, the Island Grove Wine Company was created to make a value-added product to an already thriving blueberry farm. Their signature wines, Kinda Dry and Sorta Sweet, utilize nutrient rich blueberries to create beautiful, dry and sweet 100% blueberry wines. Now, years later, they produce over 20 kinds of wine, with some favorites being Sunshine State Berry Sangria and Blueberry Moscato.
