

ISLAND GROVE WINE COMPANY KINDA DRY BLUEBERRY WINE

TASTING NOTES: Kinda Dry is 100% blueberry, fruit-forward with medium-body. A perfect balance of fruit acidity with a wonderfully dry finish and less than 3gms of sugar per 5oz glass. It is an excellent complement to any meal, and is especially delicious paired with grilled steaks and chops. Best served at room temperature.

Sustainable Farm Practices

Vegan Friendly

Founded in 2010, the Island Grove Wine Company was created to make a value-added product to an already thriving blueberry farm. Their signature wines, Kinda Dry and Sorta Sweet, utilize nutrient rich blueberries to create beautiful, dry and sweet 100% blueberry wines. Now, years later, they produce over 20 kinds of wine, with some favorites being Sunshine State Berry Sangria and Blueberry Moscato.
