

ISLAND GROVE WINE COMPANY SORTA SWEET BLUEBERRY WINE

TASTING NOTES: This 100% blueberry wine is fermented on its healthy skins in small batches to extract the unique tannin structure of blueberries. Because this delicately sweet wine is easy to love, it is crowd pleaser at casual gatherings with friends. Try serving it with barbecued chicken and grilled fish, or paired with desserts. Best served chilled to highlight its fresh fruit flavors.

Founded in 2010, the Island Grove Wine Company was created to make a value-added product to an already thriving blueberry farm. Their signature wines, Kinda Dry and Sorta Sweet, utilize nutrient rich blueberries to create beautiful, dry and sweet 100% blueberry wines. Now, years later, they produce over 20 kinds of wine, with some favorites being Sunshine State Berry Sangria and Blueberry Moscato.
