ISLAND GROVE WINE COMPANY SPARKLING PEACH MOSCATO

TASTING NOTES: Moscato has met her best friend for sure. Ripe, sweet peaches and notes of honeysuckle make this lightly sparkling wine a showstopper. Serve with fresh cheeses, fruit & honey to create a fabulous charcuterie spread.

Founded in 2010, the Island Grove Wine Company was created to make a value-added product to an already thriving blueberry farm. Their signature wines, Kinda Dry and Sorta Sweet, utilize nutrient rich blueberries to create beautiful, dry and sweet 100% blueberry wines. Now, years later, they produce over 20 kinds of wine, with some favorites being Sunshine State Berry Sangria and Blueberry Moscato.
